

Recycling & Trash

Weekly curbside recycling is now available to Winslow residents. By recycling your acceptable plastic bottles, cans, paper and cardboard, you will see a reduction in the amount of trash your household generates. Therefore, trash collection will be reduced to one time per week, replacing the other with recycling pickup.

If your current trash days are:

Monday and Thursday

Tuesday and Friday

You'll now:

Put your trash cart out on Monday and recycling cart on Thursday.

Put your trash cart out on Tuesday and recycling cart on Friday.

Acceptable items:

- Cardboard
- Chipboard
- Aluminum cans
- Tin cans
- Newspaper (including the inserts)
- Magazines
- Junk mail (self-sealing and window envelopes are ok)
- Office paper (white, colored, manila folders, and envelopes)
- #1 and #2 plastic containers (remove caps and pumps)

No other items should be placed inside curbside recycling carts. Dropoff trailers are no longer available.

Remember the Recycling Rules!

1. Recycle bottles, cans and paper products only
2. Keep items clean and dry (no food or liquids)
3. No plastic bags (do not bag items or put grocery bags/plastic film in carts)
